The Board is considering adding a "members only" page to our website and thereon make the list of membership with their practice areas, available to other members for possible referrals and easy contact. This would be "opt-in" only. Would you want your professional contact information made available to other members only?

\_\_\_\_ YES, please make my professional contact information made available to other members only.

\_\_\_\_ NO I do not want my professional contact information made available to other members.
